Instructions for Registration in the Learning Platform OPAL as an External User

If you are **not an enrolled student** in the listed universities on bildungsportal.sachsen.de/opal, you can register yourself as an external user to access the learning platform of OPAL. Please follow the instructions below.

Registration in to the learning platform OPAL to join the ECRMs courses

1. First, click on the link <https://bildungsportal.sachsen.de/opal> and you will land on home page of OPAL. Now, click on "Don't belong to one of the listed universities?"

2. You are in another page and click on "**Register**" as you do not have an account. Then select " TU Bergakademie Freiberg" from the list of institutions and enter your e-mail address in the window that has just opened. Confirm with "Submit". You will now receive an e-mail with a confirmation link.

3. Open your email inbox. It may take up to 30 minutes after registration before you receive the confirmation link. Follow the link in the email and complete the registration. Confirm with "Submit" again.

The screenshot shows the OPAL registration form. At the top left is the OPAL logo. Below it is the heading "Register". A text box contains instructions for the username: "The username:" followed by a bulleted list: "• has to consist of a minimum of 3 characters", "• may contain only numbers and/or lower case letters (no umlauts, no special characters but .-)", and "• can't be changed anymore." Below this are input fields for "Username:*", "Institution" (pre-filled with "TU Bergakademie Freiberg"), "First name*", "Surname*", "Password:*" (with a "Show/Hide" eye icon), and "Confirm password:*" (with a "Show/Hide" eye icon). A note below the password field says "At least 8 characters." At the bottom is a blue "Submit" button, which is highlighted with a red rectangular border.

4. You are registered as an external user. Go to the link <https://bildungsportal.sachsen.de/opal> again. Click on "**Don't belong to one of the listed universities?**" and log in with your new 'username' and 'password'.
5. Navigate to the ECRMs course via the link (<https://bildungsportal.sachsen.de/opal/auth/RepositoryEntry/42458447874>) and enrol yourself in the course using the course with "Enrollment - Students".
